Make your own Pet Gecko!

Save our Species — Conservation Kids NZ

Conservation Kids NZ
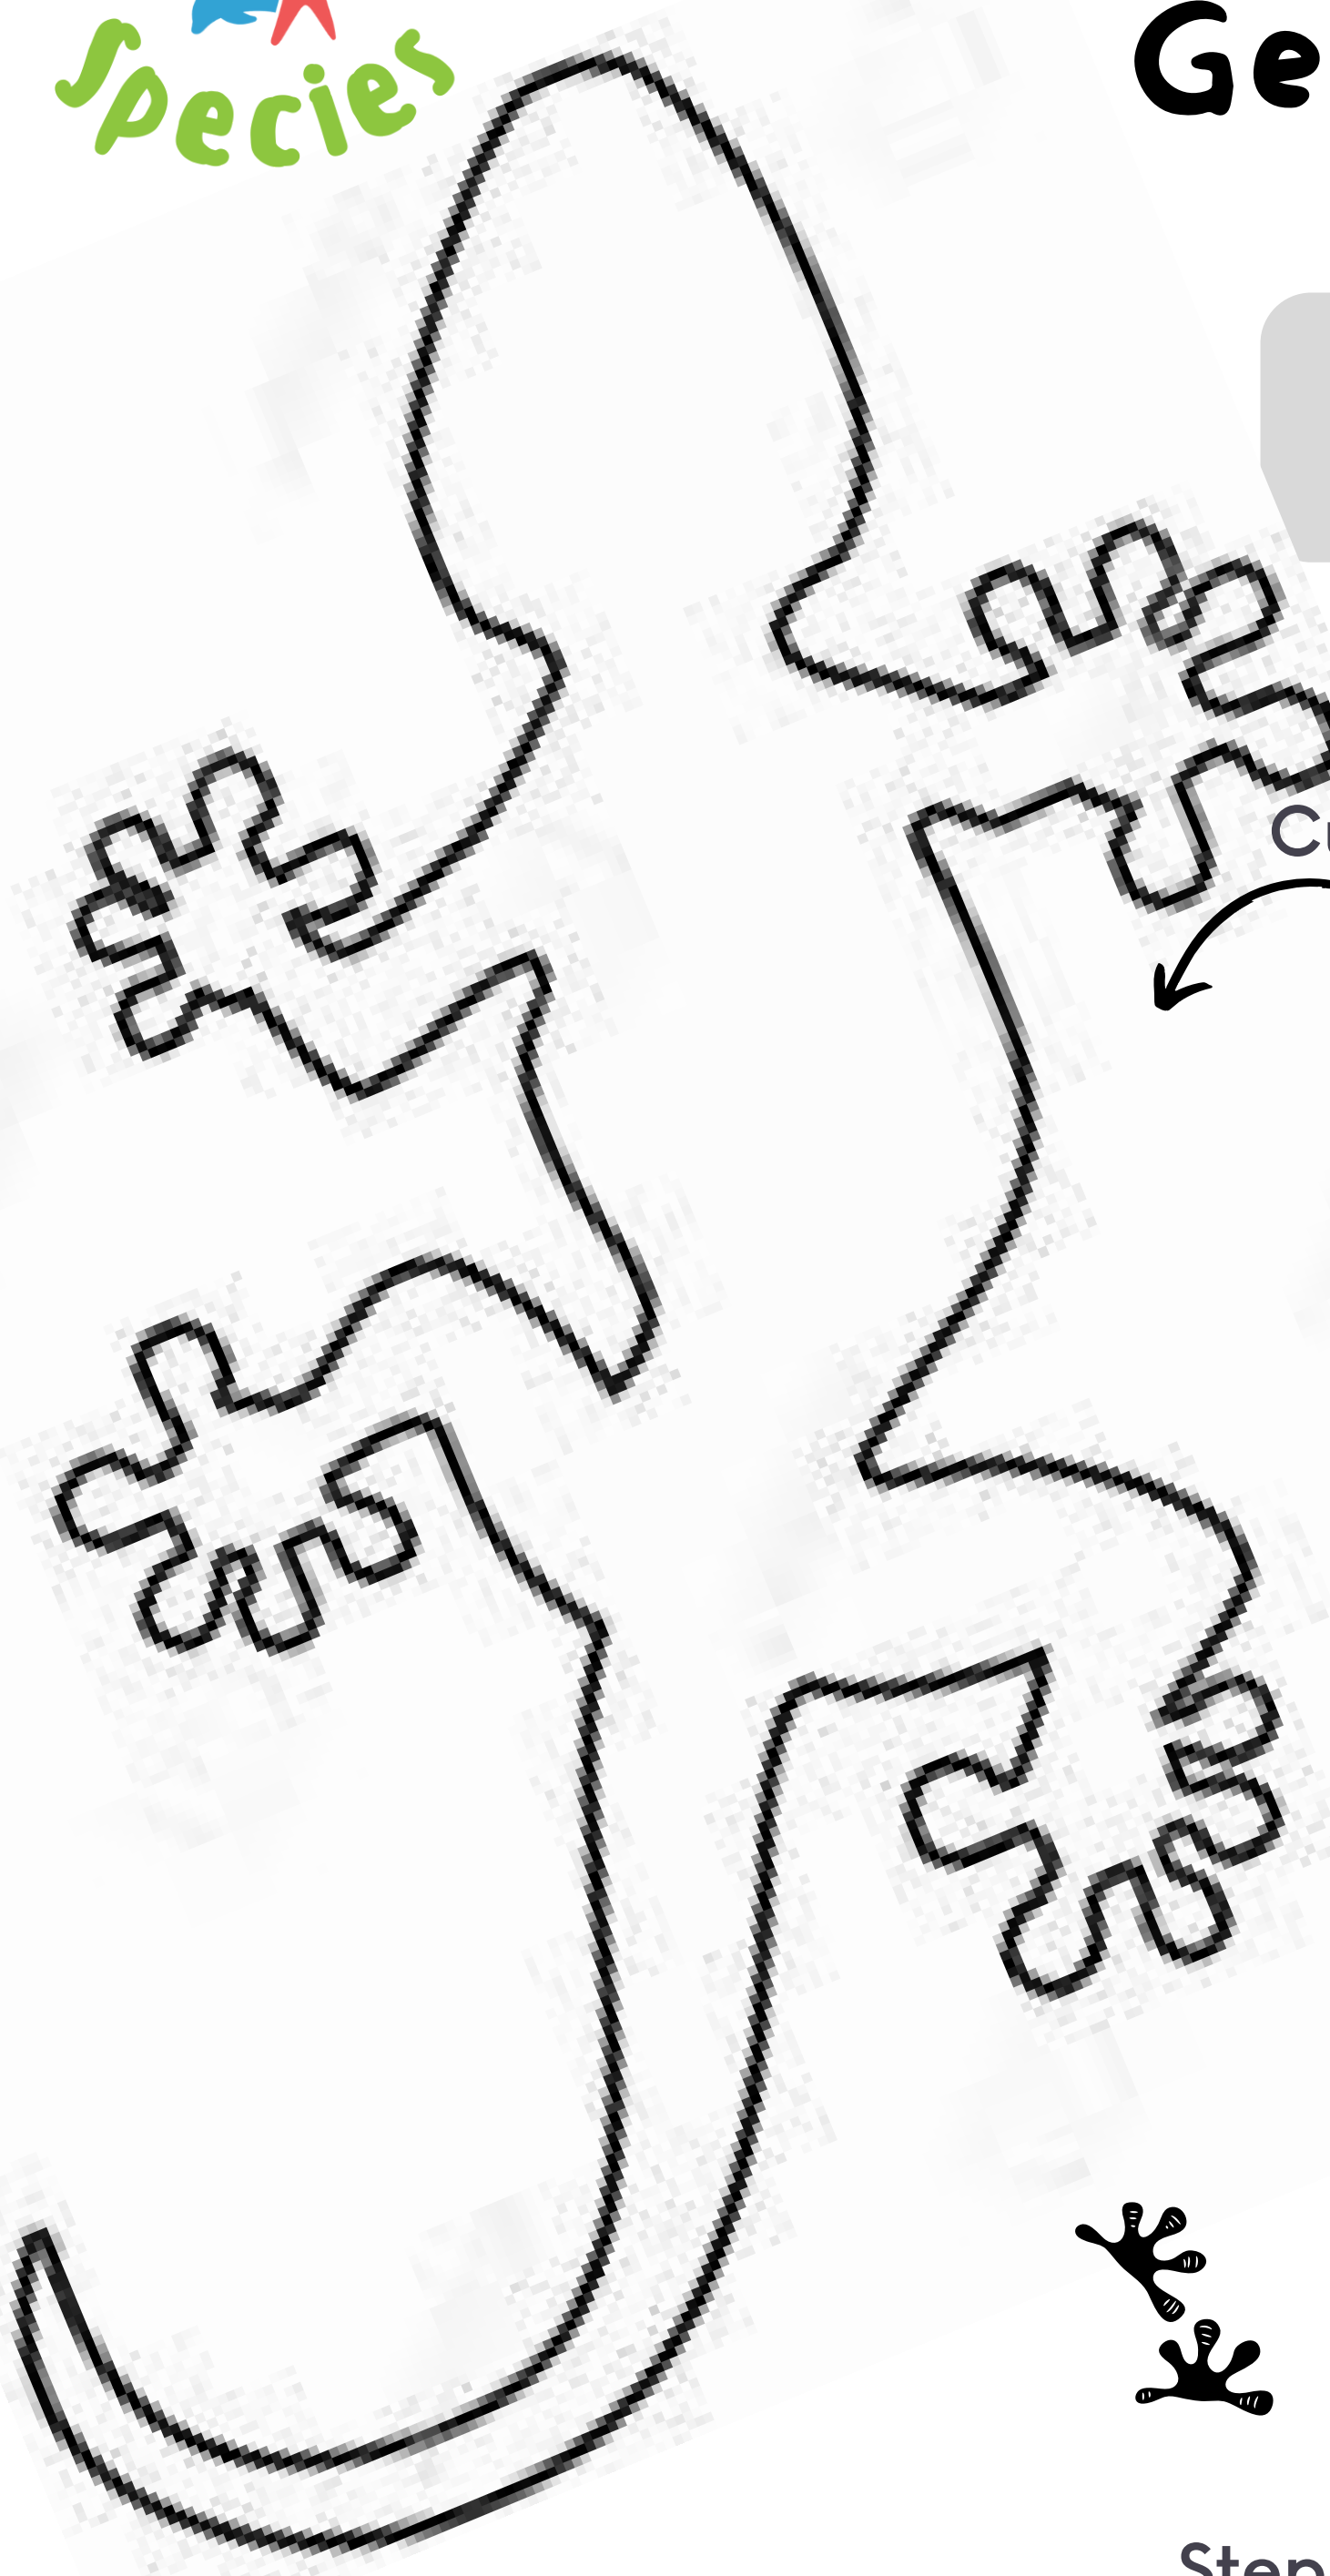

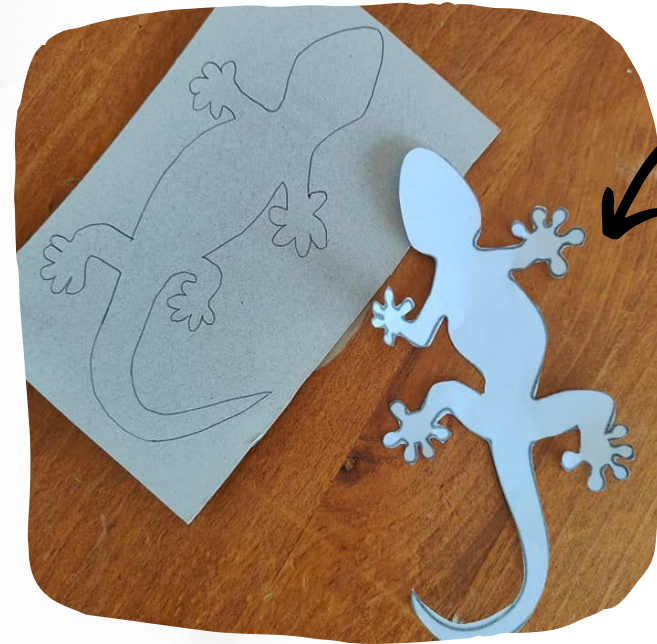

Have some fun making your own pet gecko to keep at home.
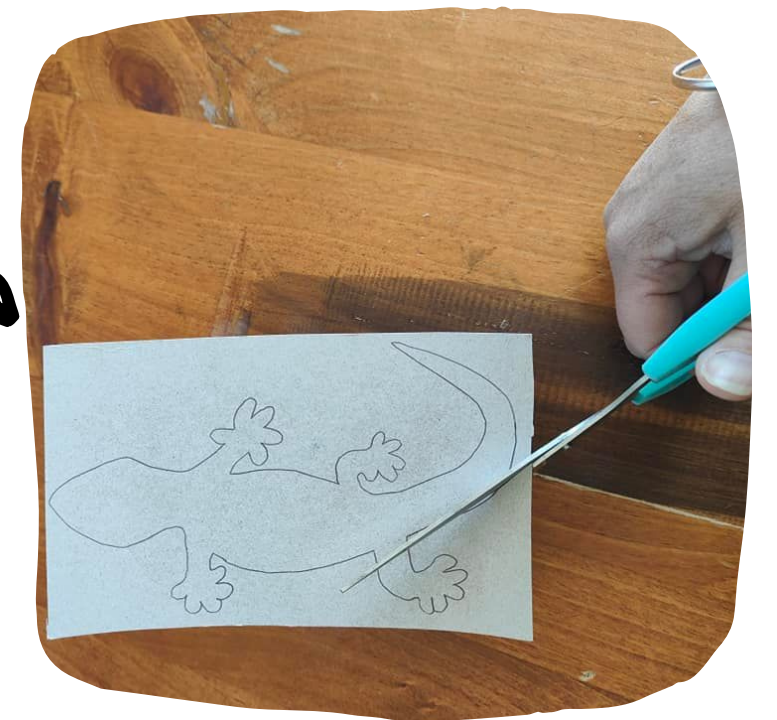

Step One:
Cut out the gecko template.

Step Two:
Trace it onto some carboard. We use old cereal boxes.

Step Three:
Cut the carboard image out.

Step Four:
Colour in your gecko.

Step Five:
Give your gecko a small bend long ways down it's spine and it will stand up for you.

Your finished pet Gecko:
Have fun with your finished pet gecko – don't forget to send us a photo of your creation!

** This resource has been kindly put together for you by the Conservation Kids NZ team – Enjoy!**
